FROM THE PRINCIPAL'S DESK

I have loved walking down the main corridor this week, it has been filled with music as our Grade 5/6s have been polishing and practising the songs for their 'This is Me Performance' next Thursday evening. The lovely tunes have made it less noticeable that our Grade 3/4 students have been away on camp.

GIRLOSOPHY

For the last six weeks, our Grade 6 girls have all been participating in a group work program for Primary School girls around friendships, self-esteem, body image, etc. The girls have participated in a weekly group, engaging in lots of fun, collaborative and self esteem building activities, this week I was lucky enough to participate too and had lots of fun watching the girls negotiate how they would build a bridge out of 20 paper straws and three pieces of masking tape, that would be strong enough to hold a cup of water, I was extremely proud listening to the way they listened to one another's ideas and encouraged one another to take risks. As part of the group the girls have also been working on designing and developing activities to run with younger girls which reinforce the messages and lessons learnt in group.

GRADE 3/4 CAMP

I am writing this week's newsletter in my cabin in Narmbool. All our Grade 3/4 campers are happily sound asleep after a fun filled day which included a 12km walk and very engaging evening presentation all about Australian owls. On Friday we will travel back in time and spend the day at Sovereign Hill before returning back to Mitcham. I would like to take this chance to thank all the Mitcham Primary School staff and pre service teachers, Georgia and Callum, for making the two camps that have run this week such memorable experiences for our Grade 3/4s.

NEW ZEALAND SISTER SCHOOL VISIT

On Sunday we will be welcoming staff and students from our New Zealand sister school 'Wakarrunga'. Our New Zealand friends will be staying with us all of next week, we have a wonderful week of activities and celebrations prepared for them, including attending our Grade 5/6 'This is Me' performance!

Rest up this weekend everyone, as next week is set to be another engaging and fun filled week at Mitcham Primary!

OSHCLUB CLOTHING RECYCLING PROGRAM

OSHClub is organising a Clothing Recycling Program at school called "Mondo". Mondo means 'World' in Italian, and by getting involved in the Mondo program we are going to make the world a healthier place by saving unwanted clothing from ending up in landfill. We are asking families to donate any old or unwanted clothing, shoes and linen – 100% of which can be reused or recycled through our Mondo program.

A collection truck will be at school on **Tuesday 17 September** from 8:30 to 9:15 am. We would be grateful if you could please bring in donations from **Thursday 12 September**. Your donated items are sorted and graded. They are then either distributed to communities who can use them, recycled, or made into bio-fuel. For every kilogram of clothing donated, the Mondo program will donate 10¢ to Mitcham Primary School.

Items that can be donated:

- All clothing items – babies, children and adults
- Belts, hats, scarves, bags
- Bed linen, blankets, pillows, doonas
- Shoes – including single shoes
- Soft cuddly toys

MITCHKIDS

Mitchkids was held today Friday 30th August, in the Art room from 10:00 to 11.00. It was lovely to see the children returning with their Mitchkids bags ready to enjoy another session. We had some children coming for the first time so they were able to decorate their special Mitchkids bags.

The special art and craft activities that the children could choose to do was to decorate a tie (maybe to be given on Father's Day). The children also enjoyed the other craft activities, play dough and construction activities. We finished with the story 'Three Little Pigs' story adaption by Christine Deverell. Then we sang some songs, including the 5 Little Ducks, Old Macdonald and the Rainbow Song. It is lovely to have some of the children coming out the front and leading us all in the singing. Thanks to those students from Grades 5 and 6 who helped today.

The next Mitchkids will be our last one for this year and it will be held on Friday 13th September. All preschool children are welcome to join us.

2020 PREP/FOUNDATION TRANSITION

The next transition session is on Tuesday 3rd September, 8:45 – 9:45 in the Prep rooms. Parents are invited to join us in the 'Before and After School Care' rooms for tea and coffee. This is also a good time to ask questions and meet other families. If you have not enrolled your child for next year, please ring and make a time with me to complete the forms.

ROBO CUP

Today Mr Koles took teams to participate in the RoboCup challenge. The teams have been working on their robots and are really looking forward to the challenge. This is the first time our school has participated, so we are hoping to learn lots of new things that we can also implement in the 2020 RoboCup. Many thanks to Troy Harris who went with the group as a team volunteer.

FROM THE ASSISTANT PRINCIPAL'S DESK

TERM 4 AFTER SCHOOL CHESS

We have a number of new students who joined this term. If you would like your child to participate in the afterschool chess next term, please let the office know. If there are some positions available, I will contact you.

BOWLING GREEN LANE SAFETY

We have had some concerns with some of our students in Bowling Green Lane and in the carpark for Halliday Park. We ask that all drivers be aware that students are crossing the road and some are walking with families to Halliday Park. Although we all tell the children to be careful, drivers need to be alert to all activity in these areas, particularly at drop off and pick up times. Please do not allow your children to get of your vehicle until you are in a parking bay.

PUPIL FREE DAY

The next pupil free day will be on **Monday 4th November**. Children are not required at school on this day. Please ensure that you contact OSHClub if you need to have your child minded on this day.

SCHOOL UNIFORM

Please ensure that your children wear the correct school uniform to school. We have noticed that a number of girls have been wearing tights that are not part of our school uniform. Black tights are part of the uniform and bottle green tights are also acceptable. These should be plain and not patterned.

WEEKLY MATHS AWARD

Congratulations to last week's Maths Award recipient Abhi 3/4B. Keep up the tremendous work!

This week's Maths award winner is Rachel (1/2M) for her great work with tens frames. Congratulations Rachel!

SCHOOL BANKING VOLUNTEERS NEEDED

Regular saving is a great life lesson for children to learn, and the school banking program is a great way to start creating good financial habits.

If you're interested in helping us develop these habits in the children of Mitcham Primary School, please reach out!

Our dedicated team of School Banking Parent Helpers are currently seeking additional parents to assist in School Banking.

If you are available from 8:45 on Wednesday mornings for approximately one and a half hours, and would like to help facilitate the student's banking program, please contact the school office and leave your details, and one of our friendly team will be touch.

No experience is required, we'll gladly guide you through the process, and commitment does not have to be every week.

We look forward to hearing from you.

Does your child want to be part of School Banking?

If you're interested in your child taking part in School Banking, visit your local Commonwealth Bank branch and ask to open up a School Banking or 'Dollarmites' account for your child.

There are also great reward items to redeem after each 10 deposits, as it is an incentive for banking regularly and not a monetary exercise.

Unfortunately we can't run the event without this person! If you are interested in the role or would like more information, please contact Chloe Rees (chloerees1@gmail.com).

E-SMART WEEK

The web is a great place to learn, be creative and stay connected. However, with one in five young Australians found to have been cyber bullied – and the many other challenges young people face online – it's important we invest in giving our community the skills they need to be responsible digital citizens.

That's why, here at Mitcham Primary School, we're participating in the Alannah & Madeline Foundation's National eSmart Week along with hundreds of other communities, to show our commitment to building an eSmart Australia.

HAPPY BIRTHDAY!

OSHCLUB NEWS

Happy Spring! This week children were busy with Father's Day craft to gift on Father's Day. OSHClub wishes Happy Father's Day to all the Dads. Amidst Father's Day craft, it was also a busy week for our 3/4s and we are eager to listen to all of the exciting stories about their camp.

This term we are focussing on healthy eating. Children and parents are encouraged to share healthy afternoon tea menu ideas. A big thank you to Will 5/6 C and Martin 5/6 C for helping us make rice paper rolls for afternoon tea, fantastic healthy snack!

The 28th of August was the official last day for Jessica Kendall as one of our permanent educators, she will still join us occasionally as a casual educator.

MITCHAM OSHCLUB will be offering an extended After School Care session on Friday 20th of September 2019. The session will run from 2.30pm to 6.30pm. Please note that the pre existing After School Care bookings have been automatically transferred to the associated Early Finish Time.

Bookings are now open for the Spring School Holidays at MITCHAM OSHCLUB. Please find attached the brochure outlining all the exciting activities, incursions and excursions on offer each day. OSHClub is organising a Clothing Recycling Program at school called "Mondo". For more details please see the attached flyer.

EXCITING NEWS

The Department of Education and Training (the Department) is planning to commence an assessment and rating of our service. The purpose of the assessment and rating is to determine whether, and at what rating level, a service meets the National Quality Standard (NQS), and the National Law and National Regulations. As part of the assessment and rating of our service, an authorised officer will visit our service between 26 August 2019 and 23 September 2019.

UPDATE IN THE BOOKING POLICY FOR BSC AND ASC SESSIONS

- Parents will not be able to book online within 24 hours as the system is locked 24 hours before the session commence time.
- Parents can book their child(ren) into the program on the day by calling or texting 0422 097 497.

- Program times are from 7am—9am and 2:30pm—6:30pm, bookings will be confirmed during these times.
- A late booking fee of \$4 will automatically be charged when a booking is made at short notice (0-24 hrs ahead of the start time of the session). This fee was waived last term for goodwill as the CCS was stabilising – it is part of our usual T&C's.
- When a child is booked but does not attend, and there's been no notification that they will be absent, a \$5 'no-show' fee will be incurred.
- Our cancellation policy is now 48 hours before the session commences. Cancellations within 48 hours will incur full fee.
