NEW ZEALAND

Mrs Norman, Miss Ellis and Miss Bates and 9 very lucky Mitcham students departed very early this morning for New Zealand, we hope they have a wonderful time!

THANK YOU EVERYONE

Charlie has certainly been very busy collecting bottle caps to donate to the 'Envision Helping Hands Campaign', this week he brought in three full shopping bags! Please keep collecting your bottle tops, they do make a difference.

PLANNING FOR 2020

Often at this time of year families make decisions to move house and as such we will be welcoming several new families to Mitcham Primary School next year, similarly we will also be farewelling some of our lovely families, if you know that your children will not be returning in 2020 we request that you let the office know as soon as possible, so that we can finalise our planning for 2020.

Our teachers will spend considerable time constructing classes for 2020. Students are placed by staff in class groupings best suited to their learning needs. Many factors are considered to create classes that are balanced – academic, social and behavioural factors, along with teachers' knowledge of students. This process is about creating positive learning communities across the school for everyone's benefit. If you have information of social or educational significance that you wish to be taken into consideration by teachers as class lists are prepared, please provide that information in writing to Erin Norman or Heather Wood by Friday 9th November. While taken into consideration, we can of course not guarantee that your request will be met.

Please note that requests for specific teachers will not, and cannot be considered. Classes are structured around the needs of ALL students.

PUPIL FREE DAY

This Monday 4th November is a pupil free day. Children are not required at school on this day. Please ensure that you contact OSHClub if you need to have your child minded on this day.

2020 PREP/FOUNDATION TRANSITION

On Wednesday 30th October, we had another transition session for our children who will be starting Prep in 2020. This session had an Art focus and the children met Ms McFarland, our Art teacher, and completed an activity with her. I read the story 'What Makes a Rainbow' by Betty Ann Schwartz and then the children all made their own rainbow with clouds and we sang the rainbow song together.

While the children were working in the Prep rooms, the parents had the opportunity to attend a Literacy information session in one of the classrooms with Mrs Berardini. She discussed with parents how they could help with reading and writing at home.

The next transition session will be on Friday 15th November, 8.45am – 9.45am and will include a parent information session on 'Maths' in Prep. The children will meet our Performing Arts teacher, Mrs Wickham and they will be involved in lots of fun musical activities in the Prep rooms. Ms Koth will talk to the parents in the Library about Prep Maths and how the children can be helped with Maths at home. Tea and coffee will also be available in the Library.

KID'S HOPE AFTERNOON TEA

On Tuesday, we had our annual Kid's Hope Afternoon Tea . It was lovely to see the families involved in the program with their mentors, celebrating the year they have spent together.

Many thanks to all our mentors who come regularly and meet with our students, with special thanks to Dennis for coordinating the program.

GRADES 3 - 6 SWIMMING PROGRAM

Just a reminder that the Grades 3 - 6 swimming program will commence on Wednesday 6th November and will finish Friday 15th November. There will be a different specialist timetable across the school, for the 2 weeks while the program is on.

PUPIL FREE DAY

The next pupil free day will be on Monday 4th November. Children are not required at school on this day. Please ensure that you contact OSHClub if you need to have your child minded on this day.

The teachers will be involved in Professional Development relating to Mathematics in the classroom and looking at Mathematics planning for 2020.

CUP DAY HOLIDAY

Just a reminder that Tuesday 5th November is Melbourne Cup Day and is a public holiday so there will not be any school on that day and OSHClub does not run on public holidays.

FROM THE ASSISTANT PRINCIPAL'S DESK: CONT.

WHOLE SCHOOL TRANSITION SESSIONS

This term we will be running some whole school transition sessions that are held to help students from Prep to Grade 5 to confidently move into the next grade level in 2020. We received very positive feedback after running these sessions last year, which are designed to support the students to make a smooth, positive transition to their 2020 grade level. Dates for these will be detailed in future newsletters and on Konnective.

2020 PREP & GRADE 1 MONTESSORI INFORMATION NIGHT

Our Prep /Grade 1 Montessori Information night will be held on Wednesday 20th November 7.00pm - 8.00pm in the Performing Arts Centre. This is for all our 2020 Prep parents and our 2020 Grade 1 Montessori parents to have the opportunity to listen to how they can support their child as they begin school, to help make their transition as smooth and as positive as possible.

We will also have representatives from our uniform suppliers, school banking, and we will also talk about before and after school care as well.

BEFORE SCHOOL READING

The 'Before School Reading' program has started again this term. It is held in the Library from 8.15am on Tuesdays. Children are welcome to come to the Library and read to one of the adults or senior students.

SUN SMART

Just a reminder that all students must have a 'sun smart' hat at school every day for Term 4. Students must wear their hats whenever they go outside, including sport, P.E. classes and playtimes.

NEW ZEALAND EXCHANGE

A number of our families and staff woke up early this morning and headed to the airport to catch an early flight to Auckland for our student exchange. Everyone was very excited and ready for a wonderful time with the families from Wakaaranga School. They will be there until Friday 8th November and will be involved in many school activities including the school Gala Day to be held tomorrow. We look forward to hearing all about their time in Auckland when they return.

AFTER SCHOOL CHESS

After school chess is held on Wednesdays from 3.20 – 4.20 each week. If your child is interested in joining one of the groups, please let the office or myself know as we do have some room to take new students.

The sessions involve the chess teachers teaching skills and strategies for about 20 minutes and then the students play chess with each other while the instructors go around and help the students.

SCHOOL BANKING VOLUNTEERS NEEDED

Regular saving is a great life lesson for children to learn, and the school banking program is a great way to start creating good financial habits.

Our dedicated team of School Banking Parent Helpers are currently seeking additional parents to assist in School Banking.

If you are available from 8:45 on Wednesday mornings for approximately one and a half hours, and would like to help facilitate the student's banking program, please contact the school office and leave your details, and one of our friendly team will be touch.

No experience is required, we'll gladly guide you through the process, and commitment does not have to be every week.

We look forward to hearing from you.

Does your child want to be part of School Banking?

If you're interested in your child taking part in School Banking, visit your local Commonwealth Bank branch and ask to open up a School Banking or 'Dollarmites' account for your child.

NINJA WARRIOR FAQS

What does my ticket purchase include?

Your $15 ticket includes:

- Half an hour to go through the Ninja Warrior style obstacle course as many times as you can
- A ninja headband
- A colour coded wristband to wear on the day that gives you access to the course during your allotted time
- An icy pole to have on the day (just show your wristband)

A Waiver form must be read and agreed to before you can access the course – you will see it on the trybooking site.

How do the waves work?

You will select a wave time when you book your tickets. 10 minutes before the start of your wave, present to the Waiting Bay at the Marshall Booth wearing your colour coded wristband. Ninjas will be released gradually onto the course. You have 30 minutes to attempt the course at your leisure. You are welcome to do multiple run throughs during

MITCHAM NINJA WARRIOR: CONTINUED

your wave. At the end of your wave time, the Course Attendants will direct you to the exit.

What if I am late and miss my wave?

There are limits on how many people can be on the course at one time and we only have set age groups on the course at particular times. Please ensure that you are on time. If you are not able to be there at your time please contact the Ticket Booth to discuss your options.

My child is younger than 5 – can they still have a go on the course?

The course is only suitable for 5-13 year olds – children less than 5 are not able to go on the course but we do have a great **Mini Ninja** course in the **Gymbaroo building** on site for anyone under 5. The cost is **$5.00** and tickets are available on the day from the Ticket Booth.

What do participants need to wear?

Ninjas should wear comfortable clothing (you will be running, climbing, crawling, sliding etc.) and running shoes – thongs and sandals are not allowed to be worn on the course. This is an outdoor obstacle course so make sure you have sunscreen on.

How do I get my wristband?

Everyone that registers will receive a race pack prior to the day that contains their wristband and headband. Mitcham Primary families will receive their packs via the school. If you do not go to Mitcham Primary School your race packs can be collected from the Ticket Booth on the day of the event.

Where do I go on the day?

Look out for the Waiting Bay near the obstacle course which will be located on the large open grassed area in the middle of the school grounds. Please arrive a few minutes before your time slot and listen for instructions.

What else is there to do on the day?

Come for your run, stay for the day. The Mitcham Ninja Warrior Day is the major fundraiser for Mitcham Primary School. Alongside our Ninja Warrior course, there are many other events on offer such as: Live music, Scouts climbing wall, demonstrations from local sporting clubs, a silent auction, Lob a Choc, Mini Ninjas, a variety of food stalls, craft activities, face painting, crazy hair, show bags and more – it is going to be a great Community event!
